PHC:HNP-1837F

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Silver Matrix design from the Loom Collection is a stunning fusion of precision and artistry. Its layered grid structure reflects the geometry of urban architecture, while the distressed overlay introduces a touch of organic imperfection a harmony between order and spontaneity.

Soft shades of silver grey, steel blue, ivory, and subtle rust-red accents add vibrancy and depth, giving the piece a dynamic, contemporary appeal. The textured surface catches light beautifully, revealing the craftsmanship behind every hand-knotted detail.

# LOOME

The Loome Collection celebrates the art of weaving with a perfect harmony of texture, tone, and craftsmanship. Each carpet in this collection is a tribute to the traditional hand-loomed techniques, reimagined through modern design sensibilities.

Soft underfoot and rich in detail, Loome carpets bring a warm, organic charm to any space. The collection features soothing neutral hues, intricate patterns, and subtle variations that highlight the authenticity of handmade artistry.

## Earthen Veil

PHC:HNP-1174

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Earthen Veil design from the Loom Collection draws inspiration from the quiet poetry of weathered stone and flowing earth. Vertical gradients cascade across the surface like the natural erosion of cliffs or the gentle fall of rain on ancient walls.

The palette of charcoal, taupe, misty blue, and ivory creates a sense of grounded tranquility, while the interplay of matte and lustrous fibers adds a soft reflective depth. Every thread reveals craftsmanship rooted in tradition, elevated by a distinctly modern sensibility.

Perfect for sophisticated interiors, Earthen Veil balances raw texture with subtle elegance — a timeless expression of nature's artistry.

## Frosted Horizon

PHC:HNP-1821

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Frosted Horizon design from the Loom Collection evokes the serene stillness of a winter landscape touched by dawn light. Gentle streaks and organic veining flow across the surface, creating an impression of frozen branches and misty reflections.

The palette of silver grey, icy blue, ivory, and deep navy gives the carpet a cool, ethereal character-balancing modern minimalism with natural poetry. Subtle contrasts and shimmering highlights enhance its sense of depth, while the luxurious hand-knotted texture brings warmth and refinement to any space.

## Ocean Reverie

PHC:HNP-1808

**Size:** 8x10

**Material:** Handspun Wool  
& Bamboo Silk

The Ocean Reverie design from the Loom Collection captures the mesmerizing rhythm of rippling waves and shifting tides. Its swirling patterns evoke the movement of water touched by light, blending fluid motion with contemporary artistry.

Rich tones of deep navy, sky blue, ivory, and subtle coral accents create a dynamic and captivating visual harmony. The intricate layering and textured feel of the carpet bring both depth and vibrancy to modern interiors.

## Midnight Grid

PHC:HNP-1837

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Midnight Grid design from the Loom Collection reflects the essence of modern architecture softened by artistic abstraction. Its geometric layering and distressed detailing create a sophisticated interplay between structure and spontaneity.

The rich composition of deep navy, steel grey, rust gold, and soft sky tones evokes the look of illuminated cityscapes under twilight. The intricate textures and subtle sheen enhance its visual depth, while the hand-knotted craftsmanship ensures both luxury and durability.

The image shows a close-up of a carpet with a complex, layered geometric pattern. The design features various shades of sage green, charcoal, ivory, and subtle bronze. The pattern consists of interlocking lines and shapes that create a sense of depth and movement, reminiscent of weathered walls and urban reflections. The texture appears to be a blend of matte and sheen, enhancing the visual complexity.

## Urban Mirage

PHC:HNP-465

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Urban Mirage design from the Loom Collection captures the beauty of abstract cityscapes softened by time and texture. Its layered composition of geometric lines and faded tones evokes the look of weathered walls and reflections of urban life.

Rendered in a sophisticated blend of sage green, charcoal, ivory, and subtle bronze, this carpet bridges modern minimalism with artistic expression. The interplay of matte and sheen textures creates depth and movement, making it a striking centerpiece for any interior.

# Solar Drift

PHC:HNP-1845A01

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Solar Drift design from the Loom Collection radiates a sense of quiet energy and refined artistry. Inspired by the natural rhythm of sunlight spreading across textured surfaces, this pattern features abstract bursts that resemble rays or organic ripples frozen in time.

Crafted in a soothing palette of grey, ivory, and soft beige, the carpet blends beautifully into both modern and classic interiors. The intricate texture highlights the hand-loomed craftsmanship, offering a perfect balance of depth and subtle sheen.

Ideal for living rooms, lounges, or bedrooms, Solar Drift adds an understated luxury — calm, elegant, and timeless.

Arctic Weave

## Urban Eclipse

PHC:HNP-2404

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Urban Eclipse design from the Loom Collection reimagines the beauty of city textures under changing light. Its bold linear strokes and abstract color transitions reflect the energy of modern architecture softened by the hues of dawn and dusk.

The composition blends soft greys, powder blues, blush pinks, golden beige, and deep charcoal, creating a balanced contrast between warmth and coolness.

The distressed surface and layered detailing add artistic depth, giving the piece a contemporary, lived-in sophistication.

The background of the entire page is a close-up, high-resolution image of the 'Arctic Weave' carpet. It features a complex, three-dimensional texture with a mosaic of colors including icy blues, silvers, charcoal, and soft beige. The pattern is irregular and organic, resembling frost or natural textures found in frozen landscapes.

## Arctic Weave

PHC:HNP-1861

**Size:** 8×10

**Material:** Handspun Wool  
& Bamboo Silk

The Arctic Weave design from the Loom Collection draws inspiration from the mesmerizing patterns of frost and natural textures found in frozen landscapes. Its intricate, almost three-dimensional surface reveals a mosaic of woven impressions — a perfect fusion of movement, depth, and artistry.

The palette of icy blues, silvers, charcoal, and soft beige creates a cool yet inviting atmosphere, bringing elegance and calm to any interior. The interplay of light and dark tones accentuates the hand-knotted texture, giving the carpet a luxurious sheen and a refined tactile appeal.
